Sant Vicenç de Montalt / Maresme/Barcelona Costa Norte

Great house in a great location with amazing sea views. The house is divided into two floors very well distributed. On the main floor there is a spacious living room with fireplace and exit to the large terrace, a guest bathroom and functional kitchen which gives access to the laundry room. The sleeping area is located on the second floor where there are four bright and spacious double bedrooms, a nice bathroom and a suite, each of the rooms with wardrobes. The set is complemented by a large garden where we find the pool area with a comfortable changing room with toilet, nice corners forming different terraces and an outbuilding ideal for summer dining, as it has its own kitchen, or a guests or games room, this is very spacious and bright with great views. From the garden you access to the cellar and a garage for up to four cars. This property is characterized by its harmony of spaces, visual balance with the landscape and spectacular views. It is one of the best locations in the Maresme.
